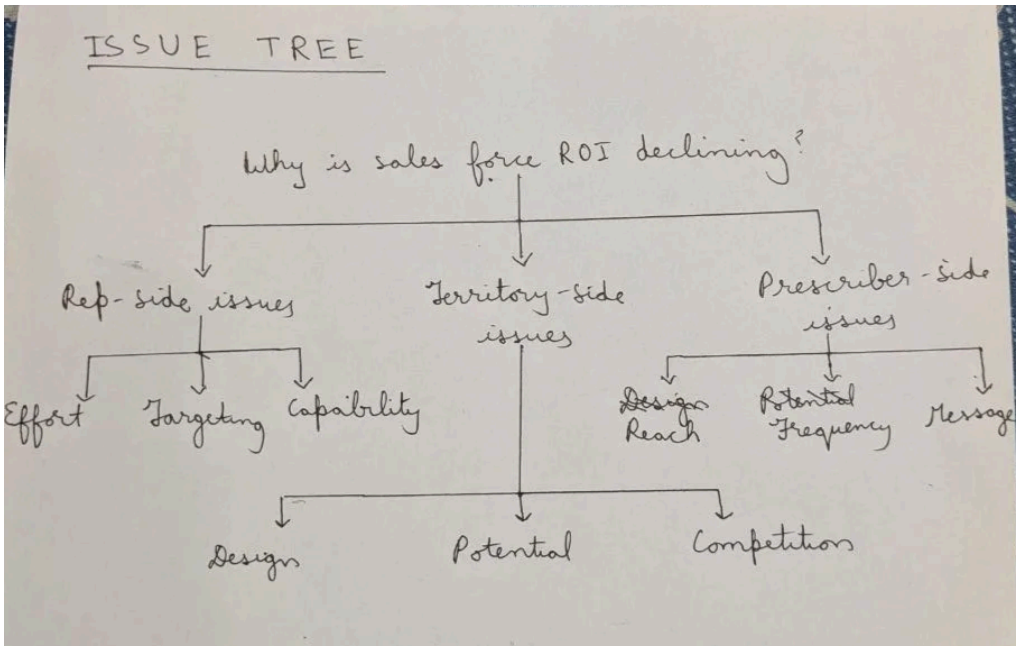
Thinking Phase

Problem Statement:
"Our field force cost is growing at 12% YoY, but prescription
market share has grown only 3%. Where is the effort going, and how do we redirect it?"

Issue Tree:



Success KPIs:
Prescription Uplift Rate per territory post-reallocation
Rep Activity Efficiency Score Rx generated per call made)
Territory Coverage Gap Index
High-Value Prescriber HVP Reach Rate
Return on Field Force Investment RoFFI
